Don Hammon was not on line, but told Glenda to remind family, he still needs information for Crier. His address is 4411 Geary Blvd., #100 San Francisco, California 94118 email [dhfw80d@yahoo.com](mailto:dhfw80d@yahoo.com) the dead line for Crier information is as soon as possible. If we have a crier for the August 2006 reunion, cut off would have be around May of 2006 for articles. Don, from last teleconference 10 April 2005, Beverly Garlock 590 East 400 South, Clearfield, Utah 84015 (801) 776-5861, said if you needed help on the crier to contact her.

Don told Glenda the Web Site has been down since he moved and haven't found the help to get it back up. Both Richard and Hal said they have family member that could help. ~~Lindsay Stoddard, (Hal's Son) is one 801-731-6752~~

Richard suggested since this year is the Prophet Joseph's Birthday, we could put in the Crier something about our ancestors knowing him. Joy recommended we even take articles from old criers and print them in the new. It would be good for the family to be refreshed on the stories. The representatives agreed and thought also just a story about Joseph Smith would be good in the crier.

Richard has a new great daughter born 26 May 2005. Congratulations. Births are no longer put in crier, but Steven still needs information for family group sheets.

It was asked who sent information on Weltha Hall's death? Steve do you know? Other deaths mentioned were Keith Belnap (no information) and Raymon Belnap (no d) (Francis), funeral in Bountiful, buried in Virginia. Raymon was the brother of Darlene Hanson (husband, George).

Edith asked Richard about Belnap pedigree chart on John Belnap. He said when enough research has been done; he will put it in the crier.

*Ilene* gave an update on plans for 13 August 2006 reunions in Idaho. She has not been *able* about to contact State President for use of Rexburg North Stake, Church. She said she could reserve a park for \$45. We all agreed we need a park near a Church. Ilene will continue looking. Audrey said she had a possible contact for BYU Idaho to help with reunion. Audrey was going to send Ilene name and phone number of contact.

Edith talked about the history of her Great Grandfather Amasa, who lived in Idaho, but many other places. Other Belnap's settling in Idaho was, Augustus, (buried in Salem) Reuben, Oliver, and Francis. Gilbert served a mission at Fort Lemhi. Edith mentioned researching land records for Amasa, found out Augustus was once Justice of Peace. The Lows also settled in Idaho. Belnap's also lived in Moreland, and Franklin, Idaho. DUP Museum in Franklin has information on some of the Belnap Family.

If anyone knows who belongs to [mbat@mstar2.net](mailto:mbat@mstar2.net), please let Glenda know.

Iola wondered if changing teleconference day from Sunday to another day of the week would get more on line. We need the help from absence representatives. It was decided tentative to have the next meeting, just before conference, 30 September 2005 at Richard's 26<sup>th</sup> Ward Building in Bountiful. Time for the meeting will be 7:00 PM.
