-Next conference call will be February 12, 2009, at 7:30.

-2010 Reunion: The date will be August 14, 2010.

Glenda reported on Roy stake girls camps. The 2010 schedule will be out by May 31, 2009. The camp schedule changed so that the girls will leave by 12:00 on Fridays. The cost of the lodge is \$75.00 per building plus \$1.00 per person. There is a 2 story lodge and a 1 story lodge, a covered pavilion and restrooms. Glenda will call the first of April and see if it is possible for us to rent the lodge. There is a concern about the river – parents will have to watch their children. There are many hiking trails nearby.

Wasatch State Park has a one year advance reservation. There are many neighboring attractions.

Audrey suggested that Pineview Reservoir is close by and a good site.

Pat suggested that we narrow down a purpose. Do we want an activity geared to families to bring the youth out? Do we want to go to a place that would be easy and more convenient for those in poor health, such as a stake center.....

What will be the theme? Suggestions: hiring a clown or outside entertainment, balloons, aspects of pioneer life, tell histories, aprons, pioneer women...

-Special projects: Wes would like a 2 year research package for the organization to accomplish. He will check with Brent for ideas of research not done.

-Closing prayer: Pat Johnson
