Approval of minutes of last conference call February 16, 2010

Wes asked all representatives to provide updated addresses of their families to Steven Belnap, BFO Historian, before April 1, 2010. If possible, email addresses are best to save on postage. We need to mail the "save the date" flyer and the questionnaire to all known Gilbert Belnap relatives on April 1, 2010. Contact information for Steven Belnap is 5391 South 550 East, Ogden UT 84405, (801) 475-6780, stevenb@mcoffice.com

Discussion about reunion:

- Wes asked for a volunteer to add clip art and make the "save the date" flyer look catchy.
- Brent Belnap reported in an email to Wes that Graham Dixon and his family are coming from England for the reunion and will be presenting a Power Point presentation on the Belknap family in England.
- Wes talked about the "History of Hooper, Utah – Land of Beautiful Sunsets" – written by John M. Belnap and published around 1984. The book contains a lot of information about life in the early settlement days of Hooper: agriculture, schools, celebrations, daily life, etc. The book would be a good reference for presentations. Does anyone know how to get copies of the book? They would be good to have at the reunion available for sale.
- Edith Ward would like to have some pioneer recipes made for sampling at the reunion.
- Wes asked for input about the questionnaire and decided that if the relatives would fill it out and return it, it would have valuable information for planning the lunch and activities.

Questionnaires should be emailed to secretary Pat Johnson at johnsonsinorem@gmail.com or mailed to PO Box 1108, Orem UT 84059.

Closing prayer: Florence Ilene Ward
