Mr. Belknap:

I was most delighted to receive your letter today. I like your style of analysis. It is much more interesting and I think rewarding that way. If I may, I would like to beg off answering you for a few days. My son is getting married in southern California on Saturday evening so am planning a few days down there.

I had more or less dismissed the idea of two Jonas Belknaps in Ontario County when Della Belnap wrote me and told me she had no knowledge of the second one. Thought I had made a mistake.

I am sorry if I misled you in my previous letter about the data I had on Oren Belknap. I wished to convey the opposite idea. - that this Oren Belknap was not the son of Jonas. I do not know who his father is - only that it is claimed that he is a descendant of Jonas Belknap Sr.

I'll be writing you again soon.

Thank you so much
George M.

One record I received on Jonas Belknap

twins and Orrin marrying Dec 6, 1829,
Cynthia Adams. Esther is shown as 9th
child here. Do not know where this
person got this information - it was a
parkes genealogist.
