Dear Sir:

Please send me a copy of the following deed, for which I enclose my check for \$2:

1816 Rachel Balknap from Christopher Mung Said to be in Book 28, p 297 June 22

Now may I ask a question?

Can your office supply a copy of a deed list or index for books earlier than Book 20?

Or, if no such index is available, could your office supply a list of all deeds showing Balknap as either grantee or grantor, in books earlier than Book 20?

In either case, at what cost?

Very truly yours,

G Y Balknap:
