

were all however relieved as having done a good work in their several fields of labour. Think not my dear that different opinion is entertained by the authorities of the Church concerning yourself; but to the contrary your labours are so much esteemed that they are still wanted in the Awakening field. Hence I pray your abject - not your efforts but if possible increase your diligence in the work of the Ministry, and not only awake the slumbering present; but gather out the honest in heart, that they be not partaker with the wicked in the judgments of God about to be poured out upon the ungodly and those that fear not God nor keep his commandments and that you in the due time of the Lord may return to your Father's house with increased laurels and improved talents beyond the possibility of a short

think to establish to this end. May the good angels of your presence protect you from harm and the spirit of him who controls the destiny of men be your guide and constant companion. The several Mutual improvement associations in Glasgow and elsewhere are filling the object of their creation; your mother and Maders are improving Mr. Munn's Memory and Musicals. The old School house is furnished with new seats and Parker and other are prepared for the house west. The boys and girls are all at school. Teach by two young Men from North Lyle.

The Relief Society has built a fine hall, 24 x 36 feet on lot 2 Block 16 - Harper City during
