not be able to put them in trouble if we should at any time feel inclined to tell.

The raid was then at its worst and being hunted and hounded all the time was forced to go into hiding or exile.

In 1890 I gave birth to my first child a son, at the home of my husbands parents at Hooper, Utah. I was forced to leave there in the middle of the night two weeks after the birth of my babe. *(Nagman East)*

I came to Ogden and stayed at my parents for four weeks trying to locate a place of refuge. I went to Salt Lake and boarded with a family by the name of Isaik Combs until my babe was nine months old when I returned to my parents until July 11, 1892.

The task of hiding myself and babe had become so difficult and trying that I was fast becoming a nervous wreck so I decided to go into exile again and sacrifice the comradeship of husband, parents, brothers and sister so went to Franklin, Idaho a stranger in a strange land.

In 1893 returned to Hooper where I stayed for three months at my husbands parents where my second son, was born, returned to Franklin where I stayed until May 1894 when I returned to Ogden, but still had to hide myself and children going by an assumed name and hiding in different places on the outskirts of town. During these trying times a third son was born to me in 1895. *(Assumed Name was "Wallin" Her mother's maiden name)*

In 1902 things had taken a turn for the better so was able to come out of hiding and take my right name. I again entered the Y. L. M. I. A. and acted in the capacity of class leader for two years. *Volney Broyan*

During these years my health had become very poor and in April 1904 underwent an operation but it not proving successful underwent a second operation in Nov. of the same year.

In 1905 we were blest with another child our first girl, *(A Jewel)* It being ten years since our last child our hearts were full of rejoicing at her coming. Since then two more little girls have come to bless our home-one in 1907 and the other in 1912, also another dear little boy in 1914. *(Byron Knight)*

On account of poor health and the care of my family have not been able to do any active church work. On the 7 of March 1918 underwent a third operation which was of a serious nature, at the Dee Hospital. Complications set in and were in a critical condition for some time but by faith and prayers and the will of the Lord my life was spared although so far six years have elapsed have not fully recovered from the operation but am thankful that my life was spared to be with my family and care for them, and hope I will be permitted to live to see my children grown to man and womanhood and settled happily in life before I am called home. *hence*
