Lake Co Ohio Dec 22<sup>nd</sup>

Dear Mother I have just returned from  
visiting Mr Breders Almira and I went  
over there yesterday. Stopt over tonight  
and back this morning. we found  
them quite well however volney  
is not by any means a healthy  
Man he is reasonably well to live  
has enough of the comforts of life  
around him to make life desirable  
but in reality does not enjoy that  
luxury I think he will in time  
make a trip to the west for the  
Benefit of his health, you will  
find enclosed the likeness of your  
Brother Daniel and his wife which  
did I not think would arrive safely  
to you I would keep untill I come  
back

Believing that it will arrive safe  
I send it by Mail -  
Be of good cheer God Bless you  
all is the Prayr of your for aff  
Son tell Jones to be there one
