

September 9-80

Month. Knight Dear Mother

It is but little time since you wrote to Augustus W. Behr, which letter found us all well except Amiroo who has had a severe attack of colic which lasted him for several days but is now quite well again. I came here to Ogden to fill the duty imposed on me by reason of the Law. And will in all probability remain here most of my time until June next. My health is very good as well as that of the family at present you wrote that perhaps you might come up this fall to see us when you get ready to carry those feelings into execution and lack the means of doing so please let me know and the money for your expense shall

Be sure the summing the journey is
to Long for land travel and your
eye will not admit of it. The horse
is the most fitting carriage for you
to travel in

Give my kind regards to
James and Martha Sarah and
children

As ever your friend and
well wisher
