Husband's Brother Charles,

I called on Almira
and found her well
and had been whittling
for her-self, on the carpet
in the middle of the
room, & said she made
her self all the trouble
she wanted too! & no

one to complain
Lives in 2nd story, of her
own Brick block. worth
\$8000, & about 4000[#] paid on
it & has the rent of a fine

Where is Reuben's son's address
to the Spicer families?
and any of the relatives?
would like to hear a
word about them.

I was born in Villenovia
April 9th 1831. It snowed
that day, they say.

Aunt Martha is 98 years
I think, That must be
a good climate.

Good bye,
best wishes to you all.
