Dear Sir

Since last writing have enjoyed good health & the blessing of the Almighty far beyond anticipation have met with some little success in preaching the Gospel in our weak stammering way ^{to thousands} & endeavoring to show poor erring man the true plan of salvation that will save & exalt one in the bright Glories in the mansions of paradise & that will by holding fast the right path one in that state of narrow path that leads to God from whence we came (Which has been given to us by the grace of our heavenly father never more to be ever come by the favor of the evil one nor given to another people and is as it was prophesied by the Apostle Paul the dispensation of the fulness of times when he will gather all things together which are in heaven & in earth even the outcasts of Israel & the dispersed of Judah from the four corners of the earth & the ensign will be erected on tops of the mountains on the Lord shadowing as wings when swift ambassadors will go to the ends of the

Earth & man all the inhabitants of the
world & many shall say come let us go
up to the house of the god of Jacob & he
will teach us of his ways & we will
walk in his paths & they will ride on
the animal that is described by the
prophet Isaiah in his fifth chapter & they
and behold he will lift up an ensign to
the nations from afar and will hiss unto
them from the ends of the earth and behold
they will come with speed swiftly on
something that will not stumble nor
sleep nor the girdle of its loins be loosed
nor the latch of their harness be broken
but their hoofs shall be like flint and
its wheels will wheel like wheels
and roar like a lion like a young lion
and carry of its prey as if none could hinder
If there be any that believe the declaration
of the prophets of the living God that
has prophesied in by gone ages they will
find that in a dispensation which is
termed the fulness of times he would
lift up an ensign on the American
Continent that resembles a condor
as wings joined to gather by the Isthmus
of Panama shading between the Atlantic
& Pacific Oceans on that will find a people
building an ensign on the tops of the rocky
mountains & coming from every nation
from the ends of the earth riding on the

railroad car that that does not slumber nor
sleep but trundles on rails like unto a flint
its wheels whirling like a whirlwind and
roaring like a lion of the forest
this is being fulfilled in our day the Lads
Ray Saints are getting the Revelations of
the Almighty which will teach us of his
ways and all those that will give
heed to the same will walk in his
paths and my young friends have often
have I looked back toward the rocky
mountains & wished I had a ~~power~~ of
improved every opportunity that has
afforded itself And my advice is to
one and all strive to know the will
of the Lord & then do it keep up your
Association for it is one of the most grand
& glorious blessings that has been to
the young and rising generations of Utah
approve of every opportunity that affords it-
self & go by so doing you will make
your meetings both lively and interesting
to all
