Elder Hyman Belnap:
Duck River Post Office,
Hickman Co., Tenn.

Dear Brother.—We remained in Nashville until Wednesday evening, and then came to this place. Matters are much as we left them. Our friends remain true, our enemies, bitter.

We held meeting Friday night, and two Sunday: good attendance. Elder Ford received a letter from Bro. R. J. Fagan, Pres. of the Manchester Branch: all well, and two more in that Branch have applied for baptism. Elders Ford and Hammon start for there in the morning.

Some six or eight in this neighborhood are talking of joining the Church, but there has ~~not~~ been no direct application, as yet, for baptism.

Praying that God will bless you
I remain Most Truly Yours
