Dear Sister I emprove the present time to write a few lines to you by Bro Cooley I want you to send me the names of all that you ware endowed for both Male and Female after I left St George the Males I mean what Joshua officiate for you sent me the names of the males once that ware endowed for I but I cannot find the letter No where about the House I want the name of the Males the names of their wives so if I go to St George and you are not their I can have them sealed to each other we had it arraigned when at St George our male relatives and their wives, you had the list I have not got it please send it immediately the names of those that John Samuel you & Mother ware Baptised for in the Font at Cannon ware all taken from the Church Records in the Historians in Salt Lake City and I was very carefull to take it word for word Bro Cooley says it is correct the Font was Dedicated and I was Baptised for some of our Dead relatives Bro Cooley lived there and said there ware no more Baptising after that in the River I think it very strange you do not know wheather you ware Baptised in the Font or in the River Alices health is a good deal better since she went to the City we have had an excellent visit with Bro Cooley and am very glad he is going

round that way Home if he had
been coming back here I would have
come with him
when I go to St George I will send you
word.
