Dear Sister Martha

I, now sit down to write you
 a few lines we are quite well
 at present Alices Ruby has
 been very sick indeed but is
 well Now I received your
 letter a few weeks ago I see
 by that you did not get my
 letter till you got to Rizzpahs
 John Deal and Eliza came
 here a few days after I wrote
 and was in hopes to find
 you at St. George they returned
 and was in a great hurry as
 Elizas Mary had lost her little
 girl there were 4 Deaths in
 the family by the way ~~while~~
 while they were gone

all children there were
twenty funerals in Springhill
in two weeks after they
left they had a first rate time
at St George John said he never
enjoyed him self so well in
his life I think they went
through the Ordinanances for
26 they want to go down again
in the fall Richard and
Spicer talk of going but I
do not know when I have
^{wrote} to James McBride to come
~~and~~ and bring Betsy his
mother if she is well enough
I was very glad you done as
much work as you did ~~and~~
~~and~~ employ who you are a
mind to, it belongs to you as
much as me to see too, the more
you can do the better but as I
wrote to ^{you} out of those whoes
wright it is there ~~a~~ will be some
that will finish up the work

we have begun as soon as any
of our folks from Springhill
