Dear Mother

After so long a time I write you a few lines hoping they will find you well we have been all sick and ~~Famer~~ is not well yet but we are better It has been very cold and stormy this winter but it is very fine and warm in the day now and very cold of night and freezing very hard how is all the folks Did you have a good Christ mass and we wish you a happy New year Father came down to see us and is staying with me he has been to Marsa for a month and he has come to with us a mile Send us all the news Brother Day was beside

Bimrah adad family was well when they  
left there has been some sickness a among  
the people but they on the mend I cant  
think any news to send more  
with our best love to you
