Dear Mother We received your kind favor
and was very glad to hear from you and we
hope you will have better health James is
some better but the cold weather dont agree
with him his face hurts some yet We are having
some very cold weather now the stock is doing
very well so far this winter Business is dull
not much money about I hope some of us will come
to conference and come and see you
Give our love to all the relation how is every
body getting along there as been quite much
sickness among the ~~people~~ People here
the Bishop has been sick for a long time
Father came from Salt Lake City last fall
and stad till last week when he went
back again

there is not much news to write about
Send all the news I dont know how to
write about that you would like to know
Give our love to the folks and expect the
same from Slep
