

Preston, April, 19-1961

To our dear cousin Marion,
Your lovely letter came, and have enjoyed
reading it over and over, thank you for your
kind words, also the wonderful quotation from
the Bible, what would we do, in times of such
sorrow, if it weren't for our faith, of life and
the here-after,

God is merciful, He knows our pain, our
sorrowing, He'll hear our plea, And greatly
bless each faithful heart accordingly -

This is the only small picture I have of Emory
you may not be able to use it tho.

He was a lover of fine horses, he had several
well bred animals, one, a Tennessee Walker that
received many 2 and 3 ribbons, then as it became
a three-year-old it took first place at the fair
in 1948, such a beautiful trophy I have.

He sold him to a Dr. down there, I do not know
his name, its name was Chocolat Mayor, so beautiful
and gentle. Thank you again, for the comfort your
letter brought to me.

Sincerely

Martha R. Belnap
