

## Improvement Matters.

The Improvement Society of Riverdale was organized, last Saturday evening; the same officers that acted last season were sustained again. The meeting was addressed by Elders Z. Ballantyne, and J. E. Carlisle; Supt. E. H. Anderson and Bishop Sanford Bingham also occupied some time. The Association in Riverdale has been somewhat backward, but from the spirit manifested at this meeting it would seem that more energy and zeal would be manifested by the young men.

The Hooper associations met in the Society Hall, on Monday evening, the 22nd, and reorganized with the following officers: West Hooper: Eli Spaulding, president, with Willard Plinders and William Wadsworth, counselors, John S. Rigby, secretary, and John Haynes, treasurer. East Hooper: Oliver Belnap, president, instead of Ole Olsen who was lately called on a mission, A. C. Christensen, Alfred Stanger, counselors, Jno. Manning, secretary, David Jones, treasurer.

The meeting was addressed by Elders Carlisle and Anderson, and by Bishop Belnap. The matter of consolidating the two associations was discussed by the members, and disapproved.

In the notice of the meeting in the Third Ward, S. P. Richards was made treasurer; he was appointed secretary, and Newton Farr, treasurer.
