An Extraordinary Case.  
 AUSTIN, TEXAS, Feb. 20th, 1880  
 To Mr. J. W. Graham, Druggist:  
 Dear Sir—My case was an acute form of bronchitis, and was of one and a half year's duration. I employed the best medical aid possible, but failed rapidly, until the doctors said I would die—that my case was incurable. Thrown upon my own resources, I got a bottle of Mr. Wm. Hall's Balsam for the lungs, and in six hours felt a decided relief. In three days the cough almost disappeared. Now that my chances of life are good for many years, I earnestly recommend the above to every sufferer of lung or throat disease.

HAY-FEVER.—I have been a great sufferer from Hay-Fever for 15 years, and have tried various things without doing any good. Two weeks ago, I commenced using it and now I feel entirely cured. It is the greatest discovery ever known or heard of. — DEHAMEL CLARK, farmer, Lee, Mass. Price 50 cents.
