

Arrested in Salt Lake. *

T. C. Butterfield, who claims to be a newspaper man, was arrested at Salt Lake on Thursday night on the charge of obtaining money under false pretenses preferred by Lee Gibson who claims that the young man borrowed money from him and then skipped without paying up. The local officers there made the arrest after some trouble. Butterfield was brought up last night by Deputy Sheriff Joseph Belnap and will be given a hearing this morning. He claims that the whole trouble is the result of a misunderstanding.
