

BELNAP'S FOURTH CAPTURE.

Nellie Berlin is Charged, With
Grand Larceny.

Sheriff Belnap returned yesterday from Salt Lake, having in his custody Nellie Berlin for whom there has been a warrant out since February, in which she is charged with grand larceny. The woman was arrested in Salt Lake on a tip received from one of her acquaintances by the sheriff and the latter is much elated at the capture, which is the fourth good one he has made within the last few weeks.

The complaint was issued out of Commissioner Cross' court and sworn to by Mrs. Lena Wright, who charged that the Berlin woman went through her trunk and took therefrom \$100. When the sheriff went to get her after the warrant had been issued Nellie was not to be found but subsequently she was located in Salt Lake, though all efforts on the part of the sheriff to find her proved of no avail.

Yesterday afternoon the woman was taken before Judge Cross and plead not guilty. Pending her examination she will be confined to the county jail.
