About 125 Members of the Family Will
Gather at the Old Homestead.

A family reunion of the Belnaps and their immediate descendants from various parts of Utah and Idaho will be held at the old Belnap homestead beginning at noon Wednesday.

It has been ascertained that fully 125 Belnaps will be there, and the following well-known families of Utah together with others will be represented.

The McBrides and Callisters of Fillmore, the McBrides of Hyrum; the Crandalls and Birds of Springville, and the Deals of Springville and Provo, and the Millers of Farmington.

Fully 200 people will be present.

To accommodate the visiting relatives two large tents have been erected for dining rooms. The family will gather at the big tents at noon for dinner, to be followed by a program of several hours' duration in which an historical and a statistical report of the family will be read.

After evening lunch the family and relatives will repair to the Hooper Amusement hall for dancing.

Three parties have already arrived from Idaho.
