

# FAMILY FORMS ORGANIZATION

## Belnap Reunion Held At Hooper With Many Present

The meeting house at Hooper was crowded to overflowing yesterday by members of the Belnap family who attended the first reunion held since 1904. Members from all parts of the Intermountain country and as far away as West Virginia attended the festivities.

A permanent organization was formed and a decision made to hold annual reunions in the future.

During the morning an interesting program was held in the meeting house. At 2:30 o'clock dinner was served and was followed by another program in the evening. Mayor Frank Francis and County Commissioner C. J. Pettegrew were among the guests of honor.
