Dixon Made Chairman South Ogden As 4 Quit Health Board Water Will

An Ogden surgeon was unanimously elected chairman **Be Improved** of the Utah Board of Health Thursday a few minutes before four board members, including one Ogdenite, resigned in the wake of a dispute with Gov. George D. Clyde over reappointment of the state health director.

The new chairman is Dr. John A. Dixon who supports Gov. Clyde's decision not to reappoint Dr. George Soffe as director of the Utah Department of Health.

Among the four members leaving the board was Ogden business executive J. R. Bachman who said he resigned because of a disagreement with the governor over pol-

He admitted the mass resignation was prompted by Gov. Clyde's refusal to reappoint Dr. Soffe. The resignations which climaxed

a dispute between the governor and the board apparently were expected by Gov. Clyde.

His administrative assistant, Law-rence J. Burton of Ogden, was at the meeting to accept the resignations and announce that the governor had named Mrs. Thomas G. Judd of Salt Lake City to the board

to give it a quorum. The governor still has to select two physicians and a dentist to give the board its necessary seven memhers.

Others resigning included form-er chairman R. O. Porter of Lo-gan, Dr. J. Poulson Hunter of Salt Lake City and Dr Leslie Poulson and appointed by the governor. Lake City and Dr. Leslie Poulson of Richfield.

In their letter of resignation, the four accused Gov. Clyde of loading for the post." He commended Dr. the board with anti-Soffe appoint- Soffe for "several excellent changees this year.

contention that opposition to Dr. Soffe by various medical and lay groups prompted his refusal to reappoint him and claimed Clyde's refusal to reappoint Soffe indicated a lack of confidence in the majority of the board.
