

Coach Gets Assistant Principal Job

The head football coach at Ben Lomond High School has been named assistant principal of the school by the Ogden Board of Education.

Allen J. Kap has asked to continue as football coach for this year in addition to his new duties, Supt. T. O. Smith told the board.

Mr. Kap's appointment was one of several personnel matters recommended by Dr. Smith and approved by the board.

PAY SCALE

This included the approval of the principals' salary schedule

for 1968-69 which is comparable to the 3.3 per cent increase given teachers.

Other action included placement of board clerk Asael Moulton on the directors' salary schedule and provides for the same cost of living increase for assistant superintendents.

The personnel action also called for the election of all district personnel, teaching and non-teaching, for the 1968-69 school year.

WELL QUALIFIED

Dr. Smith told the board Mr. Kap was well qualified to serve

in the Ben Lomond administrative position under the guidance of principal Dr. Lionel Dreschel.

Dr. Smith said Mr. Kap has been with the district seven years, teaching health, driver education and serving as coach at Ben Lomond.

He has a bachelor and master degree from Utah State University and taught previously at Ogden High School.

NEW RULE

According to the principals salary schedule adopted by the board, an administrator will be eligible for the step pay on the

teacher's master's degree schedule.

In addition, a principal will receive a percentage for administrative responsibility, based on a formula according to the size of the school he directs.

A principal will also receive two per cent of the basic salary for each year of successful experience as a school administrator up to eight years.

FRINGE BENEFITS

It also includes fringe benefits for additional quarter hours of approved college credit and advanced degrees.

Principals whose base salary is below the teachers' maximum master's degree schedule shall move up two steps per year until such a maximum is reached.

This provision is a new feature of the principals' salary schedule.

Each principal will also receive \$75 annual allowance for travel.

NEW SCHEDULE

Assistant principals shall be placed on the principals' salary schedule with their exact pay determined by levels of responsibility, same as principals.

Dr. Smith reported to the board he is working on the realignment of assignments of custodial help in order for the district to meet the labor standards act.

A final decision could result in an increase in rates for the use of facilities by outside parties, he said.

Dr. Smith said a recent Supreme Court decision requires a school district not to work an employe more than 42 hours.

In order to prevent a substantial amount of overtime in order to comply with this decision, it may require the staggering of shifts of custodial workers and other readjustments, the superintendent told the board.

Improper Left Turn

Ormus Brent Dalton, 27, of 4786 W. 500 S., West Weber, forfeited \$25 bond in City Court for making an improper left turn.

FIREMAN, SAVE MY CHILD(REN)!

The mother cat who hid her youngsters beneath the section of plywood Capt. Gene R. Dalton is holding, picked a safe spot. Although the air may have gotten a bit warm during a brush fire near the East Oaks Golf Course, the whole litter was saved.

BIG UNDERTAKING

WSC Schedules Drama Festival

Weber State College Theater is deep in rehearsal work for its most ambitious undertaking in years—the presentation of four weeks of drama during its Festival of Greek Drama, July 22 through Aug. 17.

"In an area that is not particularly known for its high level of dramatic taste, why should WSC Theater attempt to produce a Greek Drama Festival?" asked John M. Elzey, theater business manager in charge of promotion.

"The question might more properly be 'Why not?' he declared.

DRAMA CLASSICS

"The entire United States is currently experiencing what might be called a 'Renaissance' in classic drama—classic in the broadest sense—because of the development of regional repertory companies throughout the country, both on and off university and college campuses."

He said the major emphasis has been placed upon the greatest of all English-speaking playwrights, with Shakespeare festivals springing up in nearly every state and major urban area.

Burglar Gets Double Term In State Jail

Sammy L. White, 18, of 323 32nd has been sentenced in 2nd District Court to serve two one to 20-year terms in the Utah State Prison.

The two sentences, both on second degree burglary charges, are to run consecutively.

White previously was placed on probation after pleading guilty to two counts of burglary at the Norge Laundry and Dry Cleaning Village at 3303 Grant on Feb. 29 and March 22.

But he violated his probation by walking away from the Weber County Jail, where he was serving 30 days as a term of probation, and was convicted of another burglary charge. The second charge was burglary of a car from Wood Motor, 2806 Washington, on May 29. White entered a plea of guilty to the charge.

Ex-Ogdenite Gets U. Master Degree

A former Ogden man received his master of business administration degree from the University of Utah at spring commencement exercises.

David S. Petterson, employed by the Del Monte Corp. business offices in San Francisco, Calif., earlier received his bachelor of science degree from the University of Utah, graduating magna cum laude.

He is a member of Phi Kappa Phi, general scholarship honorary society, and the business honor society, Beta Gamma Sigma.

His parents are Mr. and Mrs. Parke S. Petterson of 3549 Baker Drive.

He is married to the former Cherie Thomas and they reside in Hayward, Calif.

"With a very few exceptions, however, the truly classic drama, Greek and Roman, has been ignored," Mr. Elzey added.

"Realizing that there is little point in attempting to compete with the already established Shakespeare companies, the Weber State Theater staff felt it could make a great contribution to Utah theater-goers by placing on the stage the vast lexicon of Greek drama, from which all other Western drama springs and which contains some 45 seldom seen plays."

Weber's Greek drama festival will be held nightly at 8 in the Fine Arts Center Little Theater. The plays are so scheduled that tourists and others living outside the area may see all plays on successive evenings.

ANTI-WAR COMEDY

The festival opens July 22 with "Lysistrata," an anti-war comedy by Aristophanes, directed by Mr. Elzey. It plays weekly Mondays and Thursdays.

"The Birds," a hilarious travesty, also by Aristophanes, directed by Dr. T. Leonard Rowley, plays Tuesdays and Fridays.

"The Trojan Women," a tragedy by Euripides, directed by Ivan Crossland, plays Wednesdays and Saturdays.

MANY PLAYERS

Players are drawn from Weber State, the University of Utah, local junior high schools and high schools, and from the community. Many appear in all productions, carrying both minor and major roles.

Major roles in the plays are held by the following: "Lysistrata," Caril Roblyer, Bill Higley, Joan Parker, David Pope, Linda Bennett, Jimi Elmer, Jeanne Alger, Karen Rubin, Theo Harper, and Stan Wolf.

"The Birds"—Bill Higley, John Hart, Ken Becraft, Carol Cook, Karen Rubin, Brent Johnston, Theo Harper, Jimi Elmer, Randy Mathis, Greg Smith, Stan Wolf, Jeanne Alger, Jon Pierce, Tom Browning, and Neil Shock.

RESERVE SEATS

"The Trojan Women"—Judith Sorenson, Caril Roblyer, Carol Cook, Stan Wolf, Sherrie Huggens, Randy Mathis, Craig Cook, and Becky Stevenson.

Reserve seats for all three plays cost \$3.50, and single admission is \$1.50. The tickets may be ordered by mailing a check or money order, with a stamped, self-addressed envelope to the Business Manager, Weber State Theater, 3750 Harrison.

Tickets are also available at Ogden and Salt Lake ZCMI stores. Telephone orders will be accepted at Weber State from 9 a.m. to 5 p.m., except during noon hour.

BELNAP FAMILY REUNION NEARS

HOOPER — The Belnap family reunion will be held Saturday at the Hooper Park beginning at 10 a.m.

Family members are asked to bring their own lunches. Soft drinks and dessert will be furnished.

The reunion will celebrate the 100th anniversary of Gilbert Belnap settling in Hooper.
