

Belnaps Assembled.

The reunion of the Belnap family at the old homestead in Hooper Wednesday proved a very successful affair. Besides about 125 Belnaps present there were as many more members of the family bearing some other name. Mrs. Adeline Knight Belnap, widow of Gilbert Belnap, aged 74, was the honored guest of the occasion. The immediate descendants of Gilbert Belnap consist of seventeen children, 133 grandchildren and fifty-two great-grandchildren.

The programme for the day included songs, reminiscences, recitations and the like, together with a banquet served in two large tents and a dance in the evening at the amusement hall.
