

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Preface.

THE present Volume contains the original notes of the Visitation of Somersetshire, made in the year 1623 by Henry St. George and Sampson Lennard under Camden, taken from Harl. MS. 1141. Most of the Pedigrees are subscribed by the heads of families, and some are marked with a cross and the word "entered." At the end are some added by Rich. Mundy, with drawings of Coats of Arms. Besides the Pedigrees, there are many notes made by the Heralds about the places where they stayed, the gentlemen already mentioned in the Visitation, and others who were disclaimed. The Editor regrets that circumstances prevented his making a complete collation of the other MSS. in the British Museum.* This, however, was not part of the original design, and he has thought it better on the whole to confine himself strictly to what was first contemplated, viz., giving a copy of MS. 1141. He has only added a few brief notes, and the notices of armorial bearings, about which very little information is given in the MS.

* MS. 1445 is Withie's copy, and includes R. Brooke's Visitation of 1591, and R. Cooke's of 1573. MS. 1559 contains, besides these, some additions by R. Mundy, and notes from certain Churches.

List of Pedigrees.

The blazon of the Lucars Armes—*Argent, a chevron sable between three horse heads erased gules, bridled or.*

The Pedegree of the Lucars copied out of our Father's Booke.

Richard Lucar and William Lucar Brethren, William Lucar was foster (forester) of forest of Exmore, Richard Lucar† was Steward to the Duke of Exeter, whoe had issue John Lucar of Wythecome, who married Joane daughter of Thomas Cloyde or Clode, which John Lucar of Wythecome had issue John Lucar of Bridgwater, whoe married Joane daughter of John Maddisleye of Bridgwater, which John Lucar had issue Emanuell Lucar, borne also in Bridgwater the 20th day of October 1494; This Emanuell married Elizabeth daughter of Paul Wythipole, of London, who by the said Elizabeth had issue Mary the elder, Emanuell, Henrye and Jane. After the decease of his said wife, the said Emanuell married Joane, daughter of Thomas Trumbull of London, the 15th of May 1541, and had issue by the said Joane Cyprian Lucar the elder, and Luke the younger, Marke, Martha, John, Matthew, and Mary; our said father Emanuell died the 28th of March 1574. It is to be supposed that William Lucar foster of the forest of Exmore at the overthrowe of the said Kinge Henry the sixth fled into Ireland, of whome descended and came the Lucars of Watterford.

Rules.

1. This Society shall be called the HARLEIAN SOCIETY.
2. It shall have for its chief object the publication of the Heraldic Visitations of Counties, and any manuscripts relating to Genealogy, Family History, and Heraldry, selected by the Council.
3. The Council shall consist of a President, nine Vice-Presidents, and twelve Members of Council, two of whom shall hold the posts of Secretary and Treasurer; and any four, including the Treasurer or Secretary, shall form a quorum. In case of equality of votes, the Chairman to have a casting vote. Any Candidate may be elected with the consent in writing of one Member of the Council, the Treasurer, and the Secretary.
4. Three Members of the Council shall retire in rotation annually, but shall be eligible for re-election.
5. The Annual Subscription shall be One Guinea, paid in advance, and due on the 1st day of January in each year; and Members elected after two hundred and fifty shall have joined, shall pay an Entrance Fee of 10s. 6d. in addition to their first Annual Subscription.
6. The funds raised by the Society shall be expended in publishing such works as are selected by the Council.
7. One volume at least shall be supplied to the Members every year.
8. An Annual Meeting shall be held in the month of June every year, at such time and place as the Council may direct; and due notice shall be sent to the Members of the Society at least a fortnight previously.
9. No work shall be supplied to any Member unless his Subscription for the year be paid; and any Member not having paid his subscription for two years, having received notice thereof, shall cease to belong to the Society.
10. The Council may, at their discretion, pay the expense of transcribing from manuscripts whenever two hundred Members, at least, shall have joined the Society; but no payment in money shall be made to any person for editing any work for the Society.
11. No copies of the publications of the Society shall be supplied to persons not actually Members, and each Member shall be restricted to a single Subscription.
12. An account of the receipts and expenses of the Society to be made up to the 1st of June in each year, and published with a list of the Members and the Rules of the Society in the following Volume.
13. These Rules shall not be altered except at the Annual Meeting, and three clear weeks' notice must be given to the Secretary of any such intended alteration.

Report for the Year 1875-6.

SINCE the last Annual Meeting thirty-five new Members have been added to the Society. Four hundred and seventeen have joined since its commencement, of whom sixty-one have either died or resigned. The number at present on the Roll is three hundred and fifty-six. The total gain in Members during the past year is twenty-eight.

Most if not all our Members are aware that on the day the last Annual Meeting was held, the whole unbound stock of the first seven Volumes of the Society's publications was destroyed by a fire, which took place on the premises of Mr. BELL, Cursitor Street, where it was warehoused. Fortunately it was fully insured, and on the 10th of August, the Hon. Treasurer received from the Sun Fire Office the sum of £600, and on the same day placed it upon deposit at the Society's Bankers.

The publication for the past year has been the "Registers of Westminster Abbey," edited by Col. CHESTER. The great value of this publication will be manifest to every Member of the Society, and thanks are specially due to Col. CHESTER for the liberality with which he has placed at the service of the Society this learned and laborious work. "The Original Visitation of Somersetshire in 1623," edited by the Rev. Dr. COLBY, is in the press, and will be ready for delivery to the Members during the autumn.

The usual Balance Sheet is appended to this Report.
